

Hytera Dealer Promotion

Radio Recycle

Please note: All orders must be received by 5:00pm GMT on the 30th September 2025.

Offer code: **25RECYCLE**

Overview

Encourage your customers to renew and upgrade their old two-way radios with Hytera's 'Radio Recycle' offer. For every new Hytera radio purchased you will be able to return an old radio and Hytera will pay you for it:

Buy back value per radio	Radio models
10€/£	AP5/BP5/BD5/BD6/PD4/PNC3/MNC3/VM5/SC5/GC5 or other manufacturers equivalent*
25€/£	HP5/HP6/HP7/HM6/HM7/PNC4/PNC5/PDC6/PDC7/PTC6/PTC7/VM6/VM7/SC7 or other manufacturers equivalent*
100€/£	HR10/HR6/HP79Ex/HP71Ex or other manufacturers equivalent*

*Please contact your account manager or the order desk to discuss recycling other manufacturers products.

Promotion Terms and Conditions

- Please make clear reference to the relevant offer code **25RECYCLE** on the item line when placing your PO.
- Only one offer code may be used per item line on a PO.
- Hytera reserves the right to withdraw or change promotions without notification.
- Standard Hytera Terms and Conditions of sale also apply.
- **To return used radios, please contact [OrdersHCG<ordershcg@hytera-europe.com>](mailto:OrdersHCG@hytera-europe.com) or [Orders<orders@hytera-europe.com>](mailto:Orders@hytera-europe.com) for an approved Hytera Recycle Number. You will be provided with a unique reference number and Hytera Radio Recycle form. This form must be completed and the reference number used on your product return before a credit can be applied to the associated new radio order.**
- The used radio must be a corresponding licensed radio.
- The used radio must be a working radio, complete with battery and antenna, from a recognised brand (see approval list above).
- The used radio must be returned within 8 weeks of receiving the associated new Hytera radios.
- The Hytera authorised partner is responsible for returning the used radio to Hytera UK premises or Hytera Germany premises.
- The Return Carriage Fees needs to be the Responsibility by Hytera Partners.
- Label Outer Recycle Return Box with RR number. Completed Recycle Form goes inside the Recycle Return Box.
- Battery and Radio must be Packed Separately and Securely Boxed. Atex Radios and Atex Batteries must be in a Separate Box.
- Any Additional Radios received will be Recycled without Credit.
- Hytera reserves the right to refuse any used radios which do not comply with the conditions and spirit of this offer.
